

## Physics at Work 2019: Additional Information

Signs will clearly indicate your route on site. Please read **all** enclosed leaflets and maps so that you know what to look for!

1. Sessions are: **9:15 – 12:05** and **1:15 – 4:05pm** but we will begin leading students in at **9:05** and **1:05pm**.
  - **Schools must stay for the whole session** otherwise our exhibitors' time is wasted.
2. As a consequence of ongoing construction work on the University West Cambridge Site, **NO COACH PARKING WILL BE AVAILABLE ON THE CAVENDISH SITE** during the Physics at Work 2019.
  - Coaches, larger than 15 seaters, must find their own parking (paid spaces are available at the Madingley Road Park and Ride)
  - **A separate closer area for minibus parking** is available and indicated on the teacher's map but **access only between:**
    - i. **8:15 and 9:00am** for morning sessions.
    - ii. **12:15 and 1:00pm** for afternoon sessions.

Minibuses should park first and walk as a group (students and teacher) to the marquee for registration.

  - A one-way system will be in operation for the set-down and pick-up of schools groups and will be signposted throughout physics at work. **Please inform coach drivers of this issue and give each driver a copy of the coach map!**
  - At the end of each session, school groups should revisit the marquee and make their own way back to their minibuses or coaches, which should be parked in the coach pick-up area.
3. **PEDESTRIAN ROUTE AND REGISTRATION MARQUEE.**
  - Follow pedestrian route indicated on your map. It will be clearly indicated on the day with **red arrows** leading you from the drop off point to the registration marquee.
  - Please **do not** wander around on site – if you are unsure, ask, but the route will be marked clearly with arrows.
  - **If you arrive during lunchtime please wait at the marquee** - staff will meet you as soon as possible. **Do not** bring your students into the department as it is not safe to do so undirected.
4. **Please do not be late!** If you think that your students will need to make use of toilet facilities when they arrive at the Cavendish Laboratory, please ensure that you aim to arrive **at least 30 minutes** before the start of the session. **Your students will not be able to go to the toilet during any of the presentations.**
  - **Students should not wander off looking for toilets – ASK.** At the start of each session staff will lead groups to the toilet if requested.
  - During drinks breaks, toilets will be near refreshment stations – there is **no need** for students to wander to find them.
